PROGRAMS TO HELP MEET OUR GOAL

"The 1985 Annual Meeting delegates sported bright red buttons. The buttons stood out, not only because of their color, but because of the slogan enscribed on them: 'WIBC 4.2 by '92.' "

In Toledo, Ohio, in 1985 the meaning behind the button was not clear at first. But gradually the button, and its slogan marked a step toward fulfilling a WIBC goal.

A membership of 4,250,000 is targeted for the 1991-92 season; the season will mark the 75th anniversary of WIBC and hopefully a year in which membership will surpass the record high 4,232,143 members of the 1978-79 season.

In the seven seasons since 1978-79, membership has been slowly declining and the need to reverse the trend has been a major focus of the Congress.

Several projects and programs have been undertaken this year to combat declining membership and meet the prime membership goal of "4.2 by '92."

The bowling family — WIBC, the American Bowling Congress (ABC), the Young American Bowling Alliance (YABA), the National Bowling Council (NBC) and the Bowling Proprietors Association of America (BPAA) — recognize the urgent need to interest young people in bowling.

The future of bowling depends on today's youngsters. It is these same youngsters who will be WIBC and ABC members in years to come. By aiding YABA in increasing youth membership, WIBC is insuring that part of today's marketplace will be a part of our future.

How does the bowling family intend to increase youth bowling?

Integer leaders believe the way to turn the growing population into bowlers is through education. An in-school bowling program involving students — preschool through eighth grade — will be initiated.

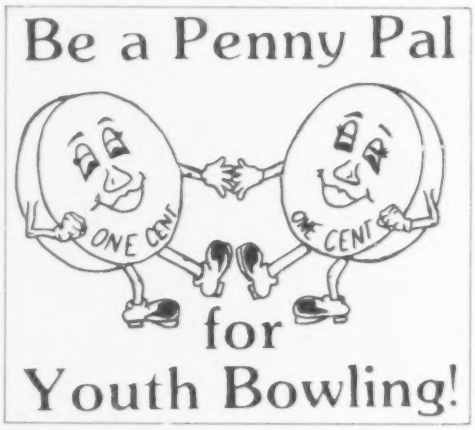
The program outlined encompasses a minimum commitment of $300,000 per year ($150,000 from both WIBC and ABC) for a seven-year period.

ABC is budgeting its contributions and WIBC has devised the "Be A Penny Pal for Youth Bowling" program to raise its donation.

How does "Be a Penny Pal" raise $150,000 annually?

Through the modest voluntary contribution of a penny a game from league bowlers.

By asking bowlers to donate a single penny per game throughout the season, we can multiply those pennies into thousands and perhaps hundreds



of thousands of dollars to promote youth bowling.

At the beginning of the 1986-87 season, each league secretary is asked to explain the Penny Pal program to all bowlers and take a vote on participating.

The next step is collecting the pennies — or "lump sum" contributions if your bowlers elect to contribute their Penny Pal donation all at once.

After all the contributions are collected, a check should be forwarded to WIBC's Penny Pal bank deposit box.

When all the funds are collected, WIBC will send them to NBC who will contract with YABA to develop and implement a program.

"Our league surveys estimate that 100 percent participation would generate over $3,000,000 from WIBC alone. Realistically, we know there will not be 100 percent participation, but we believe we have a voluntary program that will appeal to our members," WIBC President Helen Baker said.

Another project designed to help WIBC reach its membership goal is the

"WIBC Exhibit Kit" featuring the theme "Bowling Is For Me."

The kit was designed to help local associations plan exhibits at fairs and malls.

Exhibiting at local fairs and malls will reach large numbers of people in short amounts of time.

Exhibits give us the chance to meet the public and give them one-on-one information about our favorite sport.

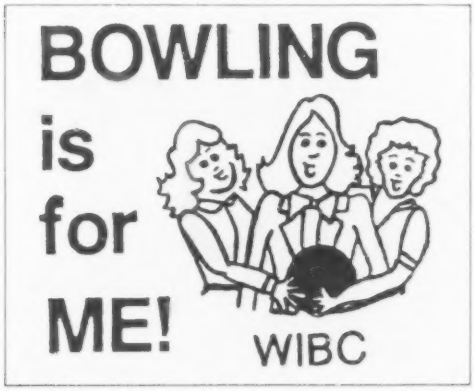
Rental of booth space is minimal and fairs can attract 80-90,000 people per day. Exhibits are an excellent way to help meet the membership goal of "4.2 by '92."

The kit includes pins, stickers, folders, shopping bags, posters and several pamphlets, but your booth doesn't have to stop there. Rent a slide projector or a movie projector and show the public what bowling entails. Raffles and balloons are also good ideas that draw crowds. Children like balloons and where there are children — there are parents, alias prospective bowlers.

The kit is designed to increase the public's knowledge of bowling and boost membership. Let the public know bowling is for them!

WIBC is also launching its future and setting the path for bowling. The Launch-a-League program was designed to boost WIBC membership.

If each association takes part in the Launch-a-League recruitment program,



our goal of reaching 4.25 members by 1992 will be attainable.

How does Launch-a-League work?

Associations earn points by organizing new leagues and recruiting new members in existing leagues. Point values are assigned to each association accomplishment in three categories: New women members in a newly created all-women league; new women members in a newly created mixed league; and new women members in an existing league.

Point values range from 50 points for new leagues to 550 points for each league with 30 new members. Associations can also earn bonus points for five percent increases in membership, new leagues for associations with five centers or less, and new leagues for associations with six centers or more.

Associations can use the points they earn to receive prizes such as hand staplers, cassette recorders, typewriter stands, VCR's, copiers and many others.

Remember, associations are NOT competing against other associations. Each association has a chance to earn prizes based on its own efforts.

The Launch-a-League program may be conducted during any season. Accumulated points will not be lost if associations participate, skip a season and become active again.

The application form must be returned to WIBC each season by June 1, if the association is participating. A new application form will be forwarded each season.

Prizes may be claimed after the first season of the Launch-a-League program or the points can accumulate until the association earns enough for more valuable prizes.

All prizes must be claimed before June 1, 1991.

WIBC has prepared a Launch-a-League kit to help associations initiate the program. A booklet provides creative ideas to organize leagues, motivate volunteers and carry out the program.

Various materials are available from WIBC for use during this program.

Use new and different league formats, plan incentives for the leagues and ask merchants to donate prizes or gifts. Help boost local participation in bowling and help reach our goal of "4.2 by '92" — Launch-a-League.

TEAM USA UNDERWAY

To continue to support amateur bowling in international competitions such as the Federation Internationale Des Quillers American Zone and World Tournaments and to strive for the inclusion of bowling as a medal sport in the Pan American Games and the Olympics.

TEAM USA was developed to help meet this goal, to determine the No. 1 amateur competitor and the team that will represent the United States in international competitions and in Olympic competition, when the time comes. *TEAM USA* also satisfies the requirement that WIBC conduct a National Amateur tournament.

The first entry for *TEAM USA* was received November 18, 1986. The tournament, formulated during the 1984-85 season by the WIBC and the ABC international competition committee, is well underway.

Who is eligible for *TEAM USA*?

Any non-professional bowler who is a U.S. citizen and a member of WIBC, ABC or YABA.

Women competitors qualified at the local level through local association tournaments or bowling center competition. Each participant rolled nine games of scratch competition with one in 10 advancing to regionals.

If bowlers failed to qualify in local competition or if no local qualifying tournament was conducted in their area, they were eligible for "B" level competition.

In "B" level competition, again, nine games of scratch competition were bowled and one in 10 advanced to regionals.

This year there were 10,558 entrants for *TEAM USA*. Out of these, 1,110 bowlers qualified and advanced to regionals. One in 20 regional competitors qualified for national competition.

YABA and ABC conducted their own tournaments and joined WIBC qualifiers at the regional competition.

Fifteen regional competitions of 24 games were conducted. Sixty-one finalists emerged from regional competition and competed August 25-30 in Milwaukee for six positions on the first *TEAM USA*.

The military men and women conducted their own tournament and joined WIBC, ABC and YABA qualifiers at the national competition.

The following bowlers qualified for the *TEAM USA* national finals: Region 1 — Lisa Maurice, Yonkers, N.Y.; Laura Dulisse, Blauvelt, N.Y.; Karin Glover, Riverhead, N.Y.; and Bobbie Wiener, Valley Stream, N.Y. The national qualifiers will roll 24 games and the field will be cut from 61 to 24 finalists. These finalists will roll 23 games of matchplay, followed by a position round with the top three women bowling the stepladder finals. The No. 1 finisher will be the national amateur bowling champion.

TEAM USA will represent the U.S. in the FIQ World Championships, the Tournament of the Americas, the World Games, the Pan American games and other international invitational events.

The highlight for the first *TEAM USA* will be the FIQ World Tenpin Bowling Championships in Helsinki, Finland, in June 1987.

TEAM USA competition will be conducted every year with six men and six women enduring intense competition and emerging as the best amateur competitors in the nation.

TEAM USA is part of WIBC's effort to be included in the Olympics and Pan American games as a medal sport. Negotiations for this big step for bowling are still underway.

BOWLING COMPETITION

Every member of the Women's International Bowling Congress has the opportunity to participate in tournament competition — one of WIBC's most important services.

Every bowler — despite her average, experience or age — was eligible to compete in WIBC events during the 1985-86 season.

The WIBC Championship Tournament, one of WIBC's most prominent events was held in Orange County, Calif. The 67th tournament opened April 3 and ran 90 consecutive days until July 1. The tournament was the second largest and richest in WIBC history.

The Championship Tournament drew 9,840 teams. A total of 51,261 women bowlers competed in three divisions (determined by average). The prize fund totaled $1,049,716 with 17,414 bowlers receiving winners checks.

California dominated the tournament winner's circle taking all but the team title; Cleveland had that honor.

Sillia's Pro Shop of Cleveland, with a cast of familiar faces, won the team championships. The team composed of pros Jeanne Maiden and Nikki Gianulias and amateurs Patty Ann, Cheryl Shininger and Pam Pucel rolled games of 881, 1011 and 999 for 2891 and a 67-pin cushion over the No. 2 finishers We Carry Everything of Canoga Park, Calif.

Ann led the quintet with 621, followed by Maiden with 596, Gianulias with 592 and Shininger and Pucel with 554 and 528, respectively.

Dana Stewart of Morgan Hill, Calif., the 1977 WIBC Queens winner, captured the singles title with games of 266, 207 and 255 for 698.

Sally Gates of Palmdale, Calif., and Marilyn Frazier of Lancaster, Calif., combined for 1260 and the doubles title. Frazier rolled 673 on games of 234, 203 and 236. Gates added 586 on games of 218, 201 and 168.

Robin Romeo of Van Nuys, Calif., rolled her way to a share of the all events title with 639 in team, 653 in doubles and 585 in singles for 1877.

With only two days left in tournament competition, Maria Lewis of Manteca, Calif., made her onslaught. Competing as a substitute, Lewis rolled 658 in team, 627 in doubles and 592 in singles to tie Romeo's mark for a share of the all events title.

The 67th WIBC Championship Tournament featured a special attraction: a 300 game rolled by Rose Walsh, a 60-year-old Pomona, Calif., grandmother.

Cora Fiebig rolled strike after strike to secure a victory in the 1986 Queens Tournament.

Rose Walsh made history in the 67th WIBC Championship Tournament where she became the second woman in tournament history to record a perfect game.

Walsh accomplished the nearly impossible on May 29. The 300 is only the second perfect game in tournament history. The first game was rolled by Lori Gensch of Milwaukee, in 1979. Gensch, 25, a professional and former collegiate champion rolled the 300 in her doubles competition. At that time, more than six million games had been bowled in the 59 years of the WIBC Championship Tournament.

Walsh, whose previous high game was 257, dropped to her knees at the foul line and kissed the lane after her 12th strike.

A bowler of 30 years, Walsh preceded the 300 with games of 137 and 177 — her first 600 series, 614.

She finished 52nd among Division I singles entrants in the tournament.

In its 26th year, the Queens tournament also featured some "oldies but goodies."

Aleta Sill, defending Queens Champion, had an opportunity to capture her third Queens title, but was eliminated late in the competition and settled for 11th place.

Cora Fiebig, well known for her international competition achievements, beat the odds and became the oldest Queens champion at 51.

Fiebig earned $7,450 including bonus money for match play wins. The tournament totaled a prize fund of $40,885.

Fiebig, seeded fourth in the stepladder finals, defeated Cindy Schuble, 191-189, in the first match of the finals.

Top:
Vicki Parker, the 1986 Association of College Unions-International (ACU-I) champion will represent the United States in the World Cup in Copenhagen, Denmark.

Wichita State, the 1986 collegiate champions. The team: (l to r) Holly Cornwall, Debbi DiTrani, Donna DiTrani, Barb Edwards, Roz Monell, and Coach Gordan Vadakin.

The finals were taped for future viewing on ESPN.

Fiebig went on to defeat Betty Morris, the No. 3 seed, 194-186. Fiebig came on strong in the ninth frame where she laced four strikes. Morris, leading in the ninth frame 177-164 could have swept the match is she would have striked in the 10th frame.

Donna Adamek, the No. 2 seed, gave Fiebig a run for the match. The bowlers were head to head in several frames. But Fiebig emerged on top after four consecutive strikes and a six-pin hit — 231-224.

In the final match of the stepladder finals, Fiebig got tough. She began with a two-bagger — 10 pins ahead of Barbara Thorberg, the No. 1 seed. Fiebig steadily increased her lead and took the title in a tear-jerking finish, 223-177.

Thorberg earned $4,000 as runner-up. Adamek earned $3,000; Morris, $2,500; and Schuble, $2,000. Others in

the top eight were: Pat Costello, Merritt Island, Fla., sixth, $1,500; Joan Burnett, Arlington, Va., seventh, $1,000; and Rita Resek, Newark, Ohio, eighth, $750.

The fifth WIBC National Senior Tournament held May 10-11 in Las Vegas, in conjunction with the ABC National Senior Tournament was filled with good fun, friends and competition.

The tournament had a field of 146, an increase of 13 bowlers from last year. The participants came from 46 states and three Canadian provinces.

The 1986 national senior champions are (l to r) Muriel Tacy (Class A), Marjorie Schreiner (Class B), Agnes Kochin (Class C) and Mertie Siders (Class D).

The women competed in four age groups. The winners were: Muriel Tracy, Hampton, Va., Class A, 70 years and over; Marjorie Schreiner, Hays, Kan., Class B, 65-69; Agnes Kochin, Sayre, Pa., Class C, 60-64; and Mertie Siders, Little Rock, Ark., Class D, 55-59. Each earned a $600 first prize.

Schreiner put her name in the record book three times. She captured the high series 658, the high game with handicap 226, and recorded a second place 626 for the high series with handicap.

Kochin also put on a sterling performance. She rolled the high handicap game (248).

Participants qualified through senior tournaments in their home states. In Las Vegas, the seniors bowled two three-game qualifying blocks with the top four in each division advancing to a three-game match play competition.

In collegiate competition, Vicki Parker of Terre Haute, Ind., an Indiana State senior, won the individual title in the 1986 Women's National Intercollegiate Bowling Championships on the WIBC Championship Tournament lanes in Orange County, Calif.

Parker, the 1982 Star of Tomorrow recipient, averaged 201 in her last four games and totaled 1690 overall. The 21-year-old righthander edged Dolores Ellis of Texas Tech by four pins in the closest finals in the Association of College Unions-International (ACU-I) history. Ellis, who needed four pins to tie and five pins to win, struck her ankle in the downswing sending the ball into the channel. She finished with 1686.

The 25th ACU-I tournament sponsored by WIBC and Brunswick Corp. featured 24 of the top collegiate women bowlers.

Parker earned the Marion Ladewig trophy and will represent the United States in the AMF World Cup in Copenhagen, Denmark.

Karen Coombs of Morehead State captured the singles title with 661 and teamed with Julie Bishop of West Texas State to take the doubles title with 1183.

Top collegiate bowling teams competed in the National Collegiate Bowling Championships (NCBC) May 1-4 in Houston at Imperial Valley Lanes.

Defending champion West Texas State downed the University of Illinois 190-157 with a 23-pin margin.

Wichita State, ranked No. 1 all season long in the coaches poll, was West Texas State's next opponent. The tables turned — Wichita State bowlers Holly Cornwell, Barb Edwards, twins Donna and Debbie DiTrani, and Roz Monell looked unbeatable. Wichita State finished the season where it started — No. 1. They downed West Texas State, 181-174.

In the men's collegiate competition, West Texas State defeated Wichita State, 191-181, and went on to meet Erie Community College. Erie Community College downed West Texas State, 211-148, in the championship match to take the title.

Twenty-four teams, 12 women's and 12 men's, bowled in the NCBC event. The NCBC incorporates the Baker format. Rather than each team member shooting a complete game, the team combines to shoot one game with the leadoff bowler bowling the first and sixth frames, the second bowler rolling the second and seventh frames, etc., with the anchor rolling the fifth and tenth frames.

BOWLING: AN "AWARDING" EXPERIENCE

The WIBC awards program is one of the most popular membership services offered to bowlers. Each year, nearly one out of five WIBC members is recognized with awards for special on the lanes achievements.

During 1985-86, 4,883 awards were distributed for scoring achievements and 85,975 awards were distributed for feats such as triplicates, Dutch 200s, all spare games and 100 pins over average.

Fourteen women rolled 800 series during the season with Carol Norman of Ardmore, Okla., leading the high score pack with an 858. Norman rolled two 300 games and a 258 game in her scoring spree on April 7, in the Women's Major League at Tenpin Lanes in Ardmore. Norman became one of six women to roll two 800 series and missed beating the all-time WIBC high by one pin. The high series record is held by Patty Ann who rolled an 859 during the 1984-85 season.

Other women bowling 800 series were: Pat Rossler, Santa Clara, Calif., 837; Marie Sherbinsky, Willoughby, Ohio, 837; Shelly McDonald, Rapid City, S.D., 823; Nikki Gianulias, Vallejo, Calif., 817; Audrey Coburn, Chesterton, Ind., 814; Leila Wagner, Bedford, Texas, 814; Stella Watson, Killeen, Texas, 811; Paulette Karwoski*, Taylor, Pa., 808; Tish Johnson, Downey, Calif., 806; Susan Nishimura, Fremont, Calif., 806; Lorrie Nichols, Algonquin, Ill., 805; Barbara Thorberg, Florissant, Mo., 802; and Sandy Ulrich, Vancouver, Wash., 800.

Three women, in addition to Carol Norman, rolled two perfect games during the 1985-86 season. Cindy Coburn of Tonawanda, N.Y., rolled a 300 in league play and a 300 in tournament action. Coburn also narrowly missed her third chance at perfection, rolling a 298 in tournament action. Barbara Dove of Twinsburg, Ohio, and Betty Morris, of Stockton, Calif., also rolled two perfect games. WIBC members rolled 122 perfect games during the season, 11 more than last year.

Patty Ann led the nation's women, once again, in high individual average as she posted a 227 average for 96 games. Although Ann's average dropped three pins from the 1984-85 season, this year marked the fourth consecutive season she led WIBC bowlers in league average.

Vicki Fischel of Denver, Colo., was No. 2 on the high individual average list with a 216. She was followed by Loretta Gedeon of Munroe Falls, Ohio, with 214.

All three women received special awards for the highest averages during the season. Another 161 women received awards for averages of 200 or better; the grand total of high averages was 164.

Four bowlers averaged 200 or better in three different leagues. They were Jodi Jensen of Wichita, Kan.; Leona Hendrix of Kansas City, Mo.; Nadine Oppliger of Wichita, Kan.; and Diana Silva of Albuquerque, N.M. Another 28 women averaged 200 or better in two leagues.

The largest number of emblems this season were earned by members rolling triplicates, all spare or 100 pins over average games. The following is a breakdown of the awards presented during the 1985-86 season:

Triple Score	31,321
100 Pins-Over-Average	25,196
All Spare Game	23,628
Big Four Split	3,117
Dutch 200 Game	1,530
7-10 Split	1,183

The high triplicate score for the season was 247 and the low triple mark was 58. These awards were earned between August 1, 1985, and July 31, 1986.

Awards presented to WIBC senior bowlers increased during 1985-86 in one category and decreased in the other category. However, more awards were presented to senior bowlers than in the 1983-84 season. Totals in the two categories were:

	'85-'86	'84-'85
75 Pins Over Avg. (Game)	2,193	2,209
125 Pins Over Avg. (Series)	1,215	1,095

PRESIDENT'S MESSAGE

The following is a summary of President Baker's report presented to the Board of Directors and delegates at the 1986 WIBC Annual Meeting in Orange County, Calif.

Although WIBC's first tournament was held in 1916, 25 years elapsed before Los Angeles hosted the tournament in 1941. In 1958 San Francisco hosted the tournament and in 1969 San Diego hosted the tournament and now, for the fourth time in WIBC history, a California association is hosting the tournament — we are in beautiful Orange County.

One of the things that we must keep in mind that affects the future of bowling is the change in attitude of consumers (marketplace). There are really two groups of bowlers who participate. One is the "I just bowl for the fun of it" type and the other is the "I want to improve my game and win" type. There seems to be more of the first kind of bowlers than the second, partly because of the current demand for instant gratification and secondly because people have more money than in the past to spend on leisure activities.

Therefore, in working on long range goals and objectives, our discussions included the possibility of modifying WIBC rules to allow some of the leagues and tournaments which might be classified as "recreational" to be sanctioned. The participants could then become members of WIBC and receive the services it offers. This was a joint discussion with ABC.

One of the purposes of WIBC is to maintain and increase the interest of women in bowling. Turning recreational leagues and tournaments into sanctioned leagues and tournaments would allow new bowlers to become acquainted with bowling and our services.

WIBC should also increase its efforts to interest young people to become active in bowling. After all, they are our future members and leaders.

YABA and the National Bowling Council have developed the concept of an in-school bowling program. The program, as outlined, would encompass a minimum commitment of approximately $300,000 a year for a seven-year period, $150,000 each year from ABC and WIBC. So there is a need for funding.

The WIBC Board of Directors authorized staff to develop a procedure for voluntary fund raising to finance our share of the in-school program. Thus, "Be a Penny Pal" was conceived.

How does "Be a Penny Pal" raise $150,000 annually?

Through the WIBC network at a penny a game.

Our league surveys estimate that 100 percent participation would generate over $3 million from WIBC members; realistically, we know there will not be 100 percent participation, but we believe we have a voluntary program that will appeal to our members. By asking leagues to have each member donate a single penny per game throughout the season, we can multiply those pennies into thousands and perhaps hundreds of thousands of dollars to promote youth bowling through the schools.

How do you become "A Penny Pal"?

1. Through the league. At the beginning of each season the league would be requested to take a vote on participation in the voluntary contribution of a penny for each game bowled during the league schedule.

2. The local association will be asked to distribute an outline of the "Be a Penny Pal" program and a remittance form to each league secretary to be returned to a special bank deposit box in Greendale.

3. League secretaries will be asked to send the remittance check to WIBC by March 15, or earlier.

4. Local associations can help with the program by distributing the

program and remittance forms and by including the program on their meeting and workshop agendas. State associations can promote the program in their mailings, meetings, workshops and jamborees.

The "Be a Penny Pal" program will start August 1, 1986. The program gives our members a chance to be part of promoting our youth and our sport and insuring that part of today's marketplace will be a part of our future through a method at which our members excel — volunteerism.

Last year I told you about a resolution adopted by the ABC delegation authorizing the meeting of WIBC and ABC to negotiate an agreement to share cost and management of the ABC specifications department.

WIBC and ABC have been sharing the responsibility of the certification department since August 1, 1984 and we feel it is time to join as a full and equal partner in administration, funding and identity of both programs.

If our respective Congresses elect to take this step, each organization will determine its own specification and approval process. However, all proposals which would alter or modify specifications and which require either Board or delegate action would have to be approved by both delegations and/or Boards of Directors in order to become effective.

There would be joint identity on all titles, equipment, specifications, etc., that are presently the responsibility of the two ABC departments.

Since persons with technical or professional experience could be helpful on this type of committee as well as other phases of WIBC's operations, legislation is being considered to expand the WIBC Board to include three directors-at-large to be appointed annually by the President, with Board approval. These three directors would have voice and vote, but would not be eligible to become WIBC officers since they were appointed, not elected.

Last year, in my report I said, "It is time that the bowling family recognized that women, as in the WIBC, should have a greater say in what goes on in the bowling industry."

ABC's invitation to join them in the operation of these two departments indicates they believe women should have that say.

But do we speak up and make ourselves heard at a local level? We should furnish newspapers, radio and television stations with information about bowling and if they report on our activities, call them and thank them. Tell them "I really appreciated your reporting . . ."

For instance, when I say, "Thank you for all you have done for WIBC and for bowling in the past year," I hope it makes you feel good. And you can make someone else feel that way when you express your appreciation to them.

None of the things that WIBC and I, as its president, do would be possible if it were not for the cooperation, hard work and dedication of all of you as well as the WIBC Board of Directors and our staff headed by Executive Secretary-Treasurer, Flora Mitchell.

Helen Baker
President

EXECUTIVE SECRETARY-TREASURER'S MESSAGE

The following is a summary of Executive Secretary-Treasurer Flora Mitchell's report presented to the Board of Directors and delegates at the 1986 WIBC Annual Meeting in Orange County, Calif.

Since the last convention, we at Bowling Headquarters have been working on many of the projects initiated by the WIBC advisory and planning committee and approved by the Board of Directors, as part of our long range goals.

Last year we reported that with the 1984-85 season WIBC would be sharing in the funding and administration of the ABC lane certification department.

Through February 15, 1986, 8,471 centers have been certified. The Certified Lane Inspector Workshop (CLIW) program has contributed significantly in certifying centers earlier. This season we peaked out two weeks earlier than ever before and we anticipate an even earlier peak for the 1986-87 season.

As of February 1, 1986 a total of 186 workshops had been conducted, and a total of 2,046 individuals attended the workshops. At the present time we have 1,109 certified inspectors — 364 women and 745 men.

The number of associations utilizing the local bowling association and state tournament programs is increasing. Approximately 21 percent of WIBC's members and 34 percent of ABC's members are participating in these services offered by Bowling Headquarters.

A conversion package is now available to allow the programs developed for the IBM 5120 to be used on the new PC models. In a number of states, men's and women's associations have jointly purchased a computer to make the equipment available to small associations with limited budgets.

If you sent in a Spotlight Award presentation this year and did not win, try again next year. The Spotlight Award committee will be sending back a critique on all presentations received this year.

I'd like to report, as of April 25, 1986, the WIBC membership total is 3,498,857 which represents a decrease of 4.21 percent from this time last year. There are 122,870 sanctioned leagues which represents a decrease of 3.78 percent.

The *TEAM USA* Bowling Tournament is a new program this season. Not only does it fulfill the requirement that WIBC conduct a national amateur championship tournament, but it provides a means of determining the WIBC international bowling competitors.

The members of the first *TEAM USA* will be known at the conclusion of the national finals in August. All of these members will have earned their spot by climbing the ladder of scratch competition that began at the local level.

The first WIBC entries for the *TEAM USA* Bowling Tournament arrived on November 18. As of April 24, we received over 7,167 entries for *TEAM USA*.

The national finals, where military qualifiers will be inserted into the competition, will be the supreme test. The finals are designed to measure not only the ability, but also the stamina and courage of each participant. The highlight for the first *TEAM USA* will be the Federation Internationale Des Quillers World Championships in Helsinki, Finland in June, 1987.

The new senior promotion kit has been sent to all local association presidents and secretaries, and the comments received have been encouraging. The promotion kit is designed to assist the local association in building senior league membership.

Apparently there has been some confusion regarding the local halls of fame. When requesting a certificate for an inductee into a local hall of fame, send your request for congratulatory certificates to WIBC — then notify the National Bowling Hall of Fame and Museum so they can update the "Hometown Heroics" exhibit.

The supply order form, No. 66, has been revised for the 1986-87 season to accommodate the new League Secre-

tary's Workbook and League President's Workbook. Most leagues won't need to order certain items; the new workbooks will contain the same information that was distributed loosely in the service kits.

In August, 1985, we were notified that all motor carriers are now allowed to charge more for pickup or delivery to private homes or similar locations. The minimum charge is $22. The price depends upon weight, at $3 per 100 lbs.

In lieu of these possible charges, we are requesting a daytime phone number and the specific location where the supplies are to be delivered on the supply order form.

The combined sanction application for all mixed leagues was tested and the results were excellent. Beginning with the 1986-87 season, **ALL** mixed leagues will file for sanctioning on the joint form.

In the past, the new-season's WIBC Bylaws books were mailed to each association in June. Instead of making a separate mailing, the 1986-87 WIBC Bylaws books will be included in the association's initial supply order for the new season.

This procedure will reduce shipping costs, and will assure the books are received on time.

Effective August 1, 1986, the dues for WIBC permanent membership, as listed in the WIBC Bylaws, Article IV, Section E, will be raised as follows: Ages 33-40, $50; ages 41-50, $35; ages 51-55, $30; and ages 56 and up, $20.

Three WIBC members will make their 50th appearance in the WIBC Championship Tournament: Helen Bassett, Peoria, Ill.; Florence Seeds, Columbus, Ohio; and Catherine Burling, Cincinnati, Ohio. They bring the 50-year participation group total to six. Mary Covell of Chicago bowled her 55th tournament, Marge Higley of Orange, Calif., bowled her 51st and Ethel Ann Constantine of Dearborn, Mich., bowled her 50th in 1985.

Even though we were unable to obtain a sponsor for the 1986 Queens, the qualifying field was filled within two weeks after entry forms were mailed. Entrants will be shooting for a $7,000 first place prize.

Several changes have been made in the Queens entry format for 1987 to overcome the problem of the field filling so quickly. Entry forms will be mailed out by June 15. Entries submitted to WIBC must be postmarked **on** or **after JULY 15.** This opening date will give all prospective entrants ample opportunity to receive their entry forms.

The 1987 WIBC Championship Tournament will open on April 2, in Hartford. This will be the first time Hartford is hosting the WIBC tournament. The Annual Meeting will be held April 20-22 and the Queens Tournament will be May 12-14.

The 1988 WIBC Championship Tournament will open March 31, 1988 in Reno. The Annual Meeting dates are April 25-27.

WIBC has joined in "Stamps for the Wounded" a program to collect cancelled (or mint) postage stamps for hospitalized veterans.

On many occasions during the season we have been in close contact with you, the leaders of the local and state associations. Your cooperation and loyalty to the WIBC has been outstanding. We asked and we received. A simple "thank you" is not nearly enough, but it comes with sincerity.

Again, I would like to express my appreciation to President Baker for her guidance and advice — to all members of the WIBC Board of Directors whose continued cooperation and enthusiasm help us in so many ways — and to the WIBC staff members who get the job done every season. WIBC is a team effort and all of us are happy to do our part for the success of women's bowling.

Flora E. Mitchell
Executive Secretary-Treasurer

SPECIAL REPORTS

The following reports are summaries of the special reports presented to the Board of Directors and delegates at the 1986 WIBC Annual Meeting in Orange County, Calif.

Legal

Bond claims continued to escalate this year with a total of 114 reported, 24 more than last season. It is sad to say, but these claims total $71,322.60. In many cases the leagues received only a portion of their losses.

Monthly verification would have limited the amount of losses, and in many cases the league would have qualified for 100 percent payment under bond if proper procedures had been observed.

Another major concern that has surfaced deals with procedural defects. The procedures outlined in Chapter IV and the guide for conducting suspension hearings must be strictly complied with, for several reasons:

- To afford due process to members accused of rule violations.
- Case dismissal, if challenged, on the grounds that the procedures were not followed.

Also remember, the written complaint. It is the basis of any hearing and must detail the charges stating the specific rule violation(s).

During 1985-86, the legal committee finalized 1,657 cases involving membership rights or office holding privileges and 143 applications for reinstatement. The following is a summary of decisions rendered:

1,195—Suspended indefinitely
79—Suspended indefinitely from membership and holding office (Three restricted from being a team captain)
59—Suspended indefinitely from membership and never to hold office
94—Not to hold office indefinitely (Two restricted from being a team captain)
89—Written reprimand
34—Not guilty
7—Case dismissed
4—Letter of counsel
13—Case closed
0—Removed from office
5—High score appeals upheld
14—High score appeals denied
2—Appeals—denied—assorted cases
2—Average rerates

The committee acted on 156 applications for reinstatement. Of those who applied to regain office holding privileges, seven were granted full privileges and six were denied. Of those who submitted applications concerning their membership, 98 were granted full privileges, 30 allowed to bowl but not hold office and 15 were denied.

In the period from August 1, 1985, to January 1, 1986, the committee finalized 800 cases and 104 applications for reinstatement. Here is the breakdown:

597—Nonpayment of league fees
82—Misuse of funds (41 bond related)
21—Failure to submit averages
100—Miscellaneous

The legal committee asks that you stress league president fund verification and deposit services for leagues in your workshops.

In September of 1985, a new procedure was instituted in nonpayment of league fee cases. The 30-day notification letter sent to each defendant in nonpayment of league fee cases now includes a paragraph allowing the bowler a chance to pay the outstanding arrearage. The defendant must submit a certified check or money order payable to the league and forwarded to the WIBC rules department within 30 days. If the payment is received, WIBC advises the league they have 15 days to notify WIBC of they wish to continue suspension action.

If the league does not want to continue with the suspension or fails to respond, the charges will be dropped. If payment is not received, the file will be given to the legal committee for a decision.

The committee and WIBC staff appreciate the great improvement in the quality of files and transcripts received.

Members of WIBC's legal committee are: Elaine Hagin, chairman; Mitzi Herold; Irene Kreidler; Clara Morton; Marilynn Rew; and Helen Baker, Ex-officio.

NBC

1986 could be the biggest year ever for the National Bowling Council (NBC) and all of bowling in terms of advertising, promotion, marketing, public relations and education.

In June, 1985, we hired Mary Lou Retton as a spokesperson for bowling. Retton will be featured in numerous bowling commercials including pre-season commercials and Super Bowlin' Saturday commercials.

The NBC has joined with General Mills to distribute over 40 million invitations to bowl. A "buy one game, get one game free" offer will be carried on cereal boxes such as Wheaties, Cheerios and Total. General Mills will be spending $1.9 million in television promotion over a five-week period. Families and children are the main target of this promotion.

The NBC also has a joint promotion with Ore-Ida (frozen foods). This promotion will carry the "buy one game, get one game free" offer plus a free soft drink offer. Ore-Ida will be spending approximately $1.1 million on television promotion and will carry the offer on over 15 million packages.

Promotion of National Bowling Week — January 5-12, 1986 — included mailing information to media sources as well as members of the bowling community.

Over 650 areas responded, an increase of 150 areas from last year. Tremendous response came as a result of excellent radio coverage in several markets.

WIBC and ABC sent a special letter to state and local association officers asking them to write to their congressmen for support of Congressman Dan Hertel's Bill H.J. No. 359 for a joint resolution declaring January 5-12, 1986, National Bowling Week. We received 62 sponsors of the bill and hope that next year we can reach the required number of sponsors to have an approved resolution for National Bowling Week.

A large amount of research was conducted in 1985. The research was utilized by the marketing committee and the education and training committee. It also gave an update on the look of bowling business trends for the 1985-86 year.

An industry situation analysis comparing bowling's demographics, participation trend line and projections with other major recreational activities was conducted and a 1985 market facts study was also conducted. The studies provided data for NBC's marketing plan and began a five-year trend study. Data from these studies was used to update a demographics booklet — 31,500 individuals, five years of age and older were surveyed.

The marketing committee has kept extremely busy this year with the implementation of the Super Bowlin' Saturday program. The bowling proprietors have reached out to support this effort by urging their constituents to participate with money — $50 per lane bed.

The National Bowling Council and all the bowling integers are putting forth great effort and a multitude of dollars to bring our great sport of American tenpins back to record membership for all the membership organizations. We need your help and urge you to jump on the bandwagon and increase your membership for next year and all the future years down the road. Remember, WIBC has a goal of 4.2 by '92 and the dream of over a million for YABA is still unfulfilled.

Members of the NBC committee are: Gladys M. Banker, chairman; Helen Baker; Agnes Duffy; and Flora Mitchell.

Mary Lou Retton, Bowling's spokesperson, was chosen by NBC to "up" the image of bowling and kick off national advertising campaigns.

International Competition

Milwaukee, Chicago, Seoul, Vienna, London, Miami, Augsburg, Bogota.

It was a very busy, interesting and productive period for those involved with international competition. Many meetings and negotiations were held to help the industry's effort to obtain demonstration, then exhibition status for bowling in the 1988 Seoul Olympics. Also, several meetings were held to aid bowlings' effort for inclusion in the 1987 Pan Am games in Indianapolis.

TEAM USA, developed by this committee and ABC's International Competition committee, is well underway. The entrants at the local association level will be the key to success. As a committee, we urge you to promote *TEAM USA* at every possible opportunity.

In the last United States Team Trials, two New Yorkers and two Californians were among the six women U.S. Team qualifiers for the 9th Federation Internationale des Quillers (FIQ) American Zone Tournament.

Sue Schottke of Tonawanda, N.Y., led the women with a 198.8 average for 36 games. Also qualifying for the team were Regi Jonak, St. Peters, Mo.; Michelle Salzman, North Hollywood, Calif.; Debbie Bennett, Akron, Ohio; Peggy Funk, Tonawanda, N.Y.; and Kathy Butler, Garden Grove, Calif.

The last U.S. women's team using the Team Trials format included: (l to r) Debbie Bennett, Kathy Butler, Michelle Salzman, Sue Schottke, Peggy Funk, Regi Jonak and coach Carol Miller.

The competition, held July 24-27, was the last of the U.S. Team Trials. Beginning in 1986, all U.S. representatives in international competition will qualify through *TEAM USA*.

The U.S. women's team captured four medals, two silver and two bronze, in the 9th American Zone Tournament in Bogota, Columbia. Debbie Bennett anchored the U.S. effort earning medals in three events.

Peggy Funk accounted for the fourth U.S. medal, finishing third in the 24-game all events competition.

On the men's side, the U.S. grabbed eight medals — four gold, three silver and a bronze.

In all, the U.S. won twelve medals, more than twice as many as its closest rival, Mexico, who won five. The competition was held September 21-28 and 17 countries participated.

The next FIQ competition will be the World Championships in Helsinki, Finland, in June, 1987.

The U.S. will host the 1989 FIQ American Zone Championships; the site will be announced at a later date. Helen Baker was elected as a director of the American Zone for a four-year term.

In Miami, Fla., the U.S. won the national all events and two other firsts in the 23rd Lee Evans Tournament of the Americas, August 12-18. The four-player American team was composed of Elaine Rebatzke, Milwaukee, Wis.; Cindy Creech, West Palm Beach, Fla.; Nick DiBlatto, Cleveland; and Glenn Harbison, Pittsburgh. They totaled 28,637 for 36 games.

Harbison and Creech combined to win the mixed doubles and DiBlatto won the men's singles.

Ireland and Mexico triumphed in AMF's 21st Bowling World Cup at the Bang 10 Bowl in Seoul, Korea. In an exciting finale in the women's division, Marjorie McEntee, a 27-year-old Dublin waitress, gave Ireland its first major bowling win.

The American bowlers, Michelle Mullen of the University of Illinois and Scott Thomsen of Washington State, finished 16th and eighth, respectively.

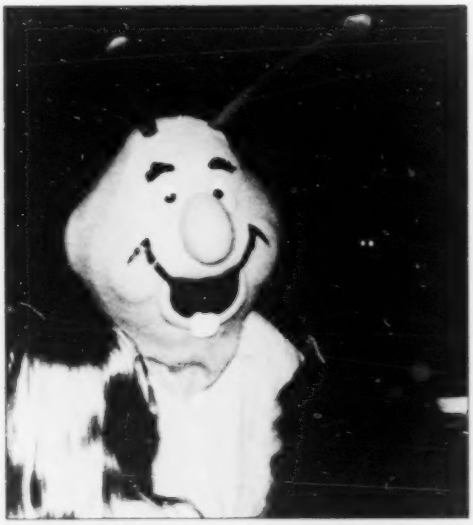
International competition is taking a good deal of time and resources now and it appears it will continue to do so in the future.

We hope that you do and will continue to support *TEAM USA* because it is part of our effort as a member of the U.S. Olympic Committee.

Members of the WIBC International Competition committee are: Agnes Duffy, chairman; Lo Borschuk; Joyce Deitch; Pearl Keller; Carol Miller, coach; and Helen Baker, Ex-officio.

YABA

The 1985-86 season has been one of dramatic change for the Young American Bowling Alliance (YABA). Chuck Hall retired as YABA executive director and was replaced by Ed Clarkson, a former United States Marine Corps colonel who headed the Armed Forces Sports committee.



BIF — Bowling Is Fun — introduced himself at the Annual Meeting.

Clarkson called some startling statistics to attention: YABA had a membership of 693,153 for the 1984-85 season and reached 8.8 percent of the casual youth bowlers. There were 29,020,000 youth ages 11-18 in the U.S. in 1984 according to the U.S. Census Bureau. YABA reached only 2.4 percent of the total youth population.

The YABA Board of Directors and staff are in total agreement that bowling, and youth bowling in particular, must be sold, and we are carrying this message to the thousands of YABA volunteers.

Youth bowling is competing in a tough market. YABA put three new field staffers — Jim Metzger, Alan Leist and John Meyer — in the "salesman" position to aid bowlers and associations with more and better communication.

In February, 1985, the YABA Board of Directors raised the national dues to $2.50. This $1 increase met strong opposition in some areas. YABA is providing information which will assist associations in responding to dues increase opposition.

BIF — Bowling Is Fun — is the new spokesperson and mascot for youth bowling and YABA. BIF Bucks are issued to sanctioned leagues. Coaches use BIF Bucks to purchase the new supplemental game emblems offered for the first time this season. The BIF promotion is just one of the new services provided as a result of the $1 national dues increase.

With the introduction of the *TEAM USA* Bowling Tournament, all YABA and Collegiate Division members have the opportunity to compete against their elders for a spot on the team which will represent the United States in international competition.

Since YABA began conducting the National Junior Bowling Championships (NJBC), Coca-Cola has made it possible for $99,000 in scholarships to be awarded.

The 1986 Coca-Cola NJBC will be in Seattle, Wash., July 17-20. YABA members from 50 states, Canadian provinces and military commands will compete for $44,000 in scholarships in four divisions — the girls scratch division has been reinstated.

The 1987 NJBC will be held in Memphis, and will again be sponsored by Coca-Cola.

The YABA Board met in February to discuss programs for the upcoming year. YABA is revitalizing the certified coach instructor clinic (CCI) formats. In conjunction, those hosting a CCI school may charge up to $7 in addition to the regular clinic price to defray expenses.

Under awards, a new amendment was passed. The new amendment requires the league official to notify the local ABC secretary when an honor score is bowled. Also, the terms of collegiate eligibility have been broadened and anyone involved should review the college supplement thoroughly.

This entire delegation is composed of volunteers. We applaud you. But we give special thanks to the "sparrows" among you who are "doing what you can" to hold up the wonderful world of youth bowling.

Members of WIBC's YABA committee are: Joyce Deitch, chairman; Gladys Banker; Elaine Hagin; Mitzi Herold; Jo Smith; and Helen Baker, Ex-officio.

BVL Fund

Thank you! Thank you! To all the bowlers of America for the record breaking total of over $1 million for BVL in the 1984-85 season.

Once again, it was a New York association versus a California association that led the way. This year Syracuse, N.Y., and Orange County, Calif., finished first and second for top association contributors. Syracuse raised $25,800 and Orange County raised $21,919.14.

Phoenix, Ariz., placed third with a contribution of $20,800 and Ventura County, Calif., raised $20,100. In all, 12 associations reached or surpassed the $10,000 contribution mark.

The state of California deserves accolades for its tremendous support. BVL salutes them for their 1984-85 contribution of $265,161.92.

New York contributed $63,947.94 and Texas contributed a close third — $62,036.21.

The state of Georgia continues to lead the nation with the per membership basis figure of $1.423 followed by New Hampshire with $1.204. Moving into third position this year is the state of California, falling just short of $1 per member (.996) with membership of 266,085.

Family and friends continue to be honored and memorialized by contributions and the bowling integers help is greatly appreciated.

In 1985, 96 teams participated in the VA/BVL Bowling Tournament. Each VA medical center is invited to enter the annual event and assistance is offered in reaching volunteers to help keep score.

The Re-Creation group co-sponsored entertainment shows at 113 VA medical centers. For each scheduled show, radio stations, TV stations and newspapers were contacted in hope that coverage would help spread the word about BVL.

The BVL committee approved the distribution of 411 RCA 19-inch color television sets to VA medical centers. These sets will be distributed this year as funds become available. Since 1972, over 5,500 sets have been donated.

The BVL Fund is now purchasing George Allen's four book set, *The Enclopedia of Bowling*. The books are being sent to 91 VA medical centers in addition to the *Sporting News* weekly, *The Woman Bowler*, *Bowling* and *ABC Annual Yearbook*.

This is the third year for Helen Duval as honorary chairman; she has visited several VA centers and includes "on the lanes bowling clinics" in her visits.

New awards for contributors are being instated with the 1984-85 season. The three new awards are:

Again our thanks to all of you who work for BVL. Please keep up your record breaking efforts. Your enthusiasm is unmatched. Bowlers are beautiful people . . . inside and out . . . it all comes from the heart.

National Bowling Hall of Fame

As the second anniversary date of June 2, 1986, approaches, the National Bowling Hall of Fame and Museum still retains that very new and fresh look, but there have been quite a few changes and additions since the doors opened.

A major display honoring recipients of the Bowling Proprietors' Association of America's (BPAA) Victor Lerner Award has been installed on the balcony next to the library and we have also received a very beautiful and valuable bowling stein collection; a display is currently being developed.

A new panel honoring Earl Anthony will be constructed in the Great Moments section. Earl, of course, was the first bowler to reach the $1 million plateau.

Additional signs in 18-inch letters were installed on the south and northeast turrets of the Museum in October making the Museum more visible to tourists.

Fund raising is a major concern of the board of directors. Corporate solicitation is being continued and several companies have responded with donations.

An "Annual Friends" campaign is underway. For a donation of $25 you receive a Hall of Fame t-shirt, an exclusive 1986 membership patch, a museum insignia pin and an invitation to special events at the Museum. Also, a "Friends of the Museum" program to recruit business sponsors is being tested in the St. Louis area.

Ongoing fund raising programs by women's state associations continue to provide large gifts for the Hall of Fame. The local women's bowling associations are also loyal supporters and we are grateful. Many individuals and groups have completed their original pledges and we would appreciate renewal of the pledges. Like the Salvation Army, the Red Cross and the United Way, operating expenses continue and the Hall of Fame needs continuous support.

The 1986 Budweiser Hall of Fame Tournament has a new format and a prize fund increase to $50,000. The competition is open to all bowlers of legal beer drinking age, competing in sanctioned leagues. New tournament committee members will include representatives from Brunswick and Fairlanes.

The 1986 Budweiser Hall of Fame tournament participants were chosen by the Hall of Famers. The women elected the WIBC representatives and the men elected the ABC candidates. Marion Ladewig of Grand Rapids, Mich., was the top vote getter for the women, followed by Mae Bolt, Chicago; Elvira Toepfer, Detroit; Anita Cantaline, Warren, Mich.; Helen Duval, Berkeley, Calif.; and Olga Gloor, Vista, Calif.

Officers elected to serve during the 1985-86 season were: Agnes Duffy, president; R. R. Woodruff, vice president; Flora Mitchell, secretary; and Edward W. Sweeney, treasurer.

It has been a shake down year of operation. There are still incompleted projects and it will be a continuing challenge to maintain the high standards. The National Bowling Hall of Fame and Museum has indeed proven a shrine to bowling — visitors are really impressed and awed.

Members of the WIBC National Bowling Hall of Fame and Museum committee are: Agnes Duffy, chairman; Gladys Banker; Flora Mitchell; and Helen Baker, Ex-officio.

Senior

During the past five years we have more than doubled our membership; senior leagues showed the healthiest increase. We have also tripled the number of seniors who qualified for the national tournament — from 43 in 1982 to 133 in 1985.

WIBC recognizes that exceptional growth of this kind just doesn't happen without a lot of input from a host of hard workers.

The participants themselves are perhaps our best ambassadors of goodwill; they are spreading the word to their friends and neighbors about the good times they are having in our national senior tournaments and get-togethers. In this vein, the get-acquainted social at registration time and the photographic coverage continues to be very popular.

WIBC has provided assistance by presenting legislation that allows sanctioning for senior leagues. Sanctioning allows more flexibility in senior league structure and exposes a greater number of senior bowlers to WIBC benefits.

Senior tournament participation has steadily increased over the years.

Cowboy hats and western attire gave way to bowling shirts and shoes in Tulsa, last May 11-12 when the fourth WIBC National Senior Championships took place. WIBC members from 47 states and three Canadian provinces competed for national recognition. Winners in the four categories were: Class A (70 and over) Leona Seele, Belvue, Kan.; Class B (65-69) Jean Tolle, Joliet, Ill.; Class C (60-64) Georgia East, Fort Cobb, Okla.; and Class D (55-59) Jan Fay, Blackfoot, Idaho.

Mark Twain once said something to the effect that thunder is good and thunder is impressive, but it is quiet lightning that does the work. WIBC is well aware that it is you, the quiet lightning, that is doing all the work that has increased senior membership.

Members of the WIBC senior committee are: Mitzi Herold, chairman; Bonnie Hodgson; Irene Kreidler; Eleanor Meeks; Ruth Smith; and Helen Baker, Ex-officio.

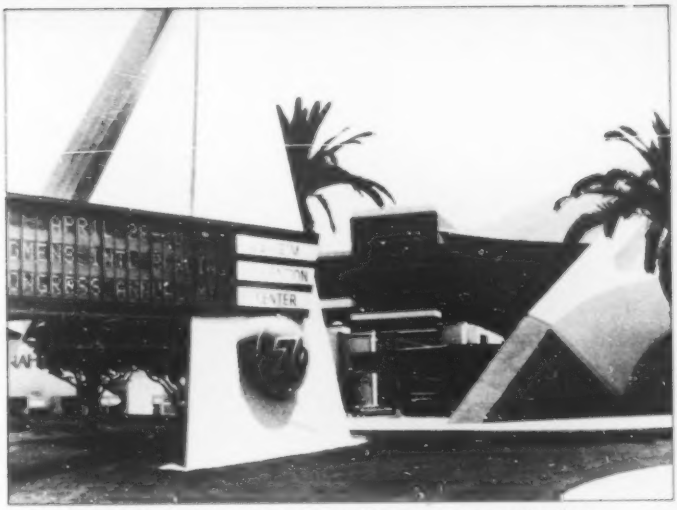
CONDENSED MINUTES



The Anaheim Convention Center, site of the 1985-86 Annual Meeting.

MONDAY MORNING SESSION

The 60th Annual Meeting of the Women's International Bowling Congress convened at 9 a.m. Monday, April 28, 1986, in the Anaheim Convention Center, Anaheim, Calif. President Helen Baker, Costa Beach, Fla., presiding.

The invocation was given by Pastor John Tebbe, Calvary Church of Placentia. Everyone recited the Pledge of Allegiance to the Flag of the United States of America. The National Anthem of the United States and Amalia were sung.

President Baker next joined the delegates in welcoming Orange County and noted that the WIBC Championship Tournament attracted approximately 50,000 contestants and the Annual Meeting drew nearly 1,500 delegates. She welcomed all the first-time delegates.

The Mayor of Anaheim, Tom Bell, welcomed the delegates. "This city hosts some 30 million visitors like yourselves each year, but I have this sunny beautiful summer as one to be a unique experience."

Mrs. Agnes Duffy, Richmond, Calif., WIBC first vice president, read the rules governing the 60th Annual Meeting, approved by the WIBC Board of Directors. They were accepted as read.

Mrs. Ramona Clark, Orange County Women's Bowling Association (WBA) president, welcomed the delegates saying, "It has been 17 years since you paid us a visit and we are so pleased that you once again found time to come back to our shores. Our California members showed that they were going to support Orange County in hosting this tournament as they entered 2,734 teams, and of that, 503 came out of Orange County."

President Baker introduced the WIBC Board of Directors, the executive secretary-treasurer and the assistant secretary-treasurer.

Paul Mohn, American Bowling Congress (ABC) president, addressed the delegates. He told the delegates not to get distressed about membership. "I'm here to tell you we are not losing ground!!!! ... With good little push efforts, just a wee bit more effort, we should see annual increases in your and our memberships," he said. President Mohn said ABC has followed WIBC's lead to advocate rolls at annual programs. He noted the new added value coupons that were added to ABC membership cards and told of the 25 percent plus increase in bowling councils.

Ed Clarkson, Young American Bowling Alliance (YABA) executive director, told of his hopes for a million members within two years. "... Youth is the future of not just game, not just recreation, but our sport," he said. Clarkson outlined YABA activities for the 1986-87 season calling attention to the National College Bowling Championships and the National Junior Bowling Championships.

President Baker recognized representatives from local youth organizations and The Coca-Cola Company for their contributions to our sport.

Arnold Fogel, Brunswick Recreation Centers Division president, spoke as the National Bowling Council (NBC) president. Fogel outlined the makeup of NBC and a comprehensive marketing plan addressing the needs and objectives of bowling.

One goal of the marketing plan is to increase new retail league bowlers by 10 percent in the next five years. Nothing will do more to help us reach our marketing plan goals, to expand our image and gain greater public awareness of the sport than if we can gain Olympic exhibition status in 1988, and then become a medal sport in 1992, and everyone in the bowling family is pointing rigorously to make the Olympic dream a reality.

Fogel reported on other NBC efforts to develop leading programs such as sponsorship, the Explorer Scouts Olympic program, Life Secrets Girls Club and bowling for dollars reported on Saturday Bowling Week and Education Week bowling centers.

Fogel told of sponsorships by national companies such as General Mills and Orville Fruehauf Foods products. He also reported the use of television to gain bowling awareness and the upcoming "Super Bowl" Saturday program featuring Mary Lou Retton.

President Baker introduced the 1986 Alberta E. Pruett Scholarship Award winner, Lori Twigg, Wartrace, Tenn., and presented her with her award.

President Baker then introduced Mrs. Helen Bossert, Peoria, Ill., Mrs. Catherine Burling, Cincinnati, Ohio, and Mrs. Florence Seeds, Columbus, Ohio, and presented them with special awards for bowling in 50 WIBC Tournament competitions. She also recognized three other ladies who had previously reached this goal: Mrs. Mary Covell, Chicago, Ill., who was in the delegation and who had bowled in her 50th WIBC Championship Tournament; Mrs. Margo Higley, Orange, Calif., the only one who had to miss scoring opportunities in the tournament; and Mrs. Ethel Constantine, Dearborn, Mich., who participated in her 50th last year.

Jamie Bircher, president of the Bowling Proprietors Association of America (BPAA), spoke about the need for a fine dressing room that would be in the bowler and the proprietor. He announced that the marketing plan, Super Bowling Saturday, will be conducted as scheduled this fall and that the 1987 USA Women's Open will be the largest pro women's tournament ever with a $200,000 prize fund.

President Baker introduced AMF representatives William Schaible, regional manager, and Jack Graziano, Brunswick representatives in addition to Arnie Fogel, Jim Bennett, vice president of sales and service for the Brunswick Division, and Owen Sharps, western area vice president.

President Baker then opened the WIBC Hall of Fame ceremonies stating that 85 women have been inducted since 1953, not including the 1986 selections.

She presented two Meritorious Service awards. The first to Mrs. Freda Botkin, Tucson, Ariz. Botkin was a WIBC field representative in 1962 and in 1964 she was named manager of the WIBC field service department. Later in 1964, Botkin was appointed WIBC assistant secretary and on August 1, 1965 she succeeded Emma Thaler as the sixth executive secretary of WIBC. She held this position for 10 years. Before coming to WIBC, Botkin was a league officer and president of the Arizona WBA and served the Tucson WBA. She retired from WIBC in 1975, but remained active in bowling tournament coordinator for the Tucson WIBC Championship Tournament, secretary-treasurer and president of the Arizona Women Bowling Writers and chairman of the Arizona YABA committee. She was named as a WIBC member emeritus in 1975 and Arizona WBA life member in 1980.

Mrs. Cora Porter, Franklin, Tenn., was also presented the award for Meritorious Service. Porter was named a WIBC director in 1959 and served as a director for 14 years. She was chairman of the Hall of Fame selection committee for seven years and served on eight other committees until her retirement in 1973. Porter began bowling in 1942 and was a charter member of the Nashville WBA. She was Nashville secretary for three years, Nashville director for seven years and president of the Nashville Bowling Council for one year. Porter was also a Tennessee WBA charter member and secretary for 23 years. She was a director of the Tennessee Amateur Bowling Association for four years, named WIBC Member Emeritus in 1973 and inducted into the Tennessee Hall of Fame in 1976. She is a life member of the Tennessee and Nashville WBAs.

Miss Pat Costello, St. Helena, Calif., and Merritt Island, Fla., was presented the award for Superior Performance. Costello is a fourtime WIBC champion and a four-time runner-up. She carries a 191 lifetime average for 162 games and 190 appearances in WIBC tournaments. She has compiled six all events totaling 1,665 or better and holds the high queens scratch all event average with 217 and match game average with 228. She has appeared in the Queens 12 times and has a 2nd, 8th and 6th place finish. She has won the BPAA US Open twice, has 13 professional titles and has been named to The Women Bowler magazine All American team seven times.

President Baker introduced Dick Evans, president-elect of the Bowling Writers Association of America (BWAA). Evans gave a few ideas on publicity. He suggested sending cards, letters and clippings to newspapers and radio and television TV and radio. They are great outlets for publicity. He also updated the delegates on some new BWAA programs. One, SCOY, is a program to send Hall of Fame inductees to Hall of Fame ceremonies. Also inductees to Hall of Fame ceremonies. Also beginning in 1987, the BWAA will have a Player of the Month Award and a College Player of the Year Award.

The President's Awards for outstanding support of the 1986 WIBC Championship Tournament were presented to Darsen Arts, 160 teams, and Michigan, 484 teams, for most entries from a local and state association outside the hostess state. Leroy, W. Va., four teams, 76 percent, and Arizona, 351 teams, 3.69 percent, both for the most entries in proportion to membership from a local and state association outside the hostess state and Crescent City, Calif., 10 teams, 22.1 percent for most teams in proportion to membership from a local association within the hostess state.

TUESDAY MORNING SESSION

President Baker introduced James Burns, WIBC legal counsel.

Action was resumed on the remaining proposed amendments contained in the legislative committee report.

Mrs. Brooles presented the following resolution:

WHEREAS, the ABC Equipment Specifications Committee and the test facility at Bowling Headquarters have been conducting a study on the coefficient of friction characteristics of bowling balls; and

WHEREAS, while the data developed to date is insufficient to establish a meaningful correlation between coefficient of friction and scoreability, the data has established that altering the surface of the bowling ball by the use of abrasives will change its coefficient of friction; and

WHEREAS, the data developed has established such alterations are done frequently; and there is evidence that the material removed during bowling by such alteration has been found on the lanes, mixed with dressing, in the bowling area, as well as on the approaches and carried into the machinery, all to the detriment of the bowler's playing environment.

NOW THEREFORE, BE IT RESOLVED, that while research continues on the coefficient of friction of bowling balls by the ABC Equipment Specifications Committee and the test facility at Bowling Headquarters, altering the surface of a bowling ball by the use of abrasives is prohibited while bowling in sanctioned competition.

Mrs. Brooles moved for adoption of the resolution; Mrs. Hazel McLeary, Victoria, B.C., Canada, WIBC sergeant at arms, seconded and the motion passed.

The Board of Directors
Women's International Bowling
Congress, Inc.

We have examined the accompanying balance sheet of Women's International Bowling Congress, Inc. (WIBC), at July 31, 1986 and 1985, and the related statements of revenue, expenses, and fund balance and changes in financial position for the years then ended. Our examinations were made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the statements mentioned above present fairly the financial position of Women's International Bowling Congress, Inc., at July 31, 1986 and 1985, and the results of operations and changes in financial position for the years then ended, in conformity with generally accepted accounting principles applied on a consistent basis during the period.

Our examinations were made primarily for the purpose of expressing an opinion on the basic financial statements taken as a whole. The accompanying additional historical information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such additional information has been subjected to the auditing procedures applied in the examinations of the basic financial statements mentioned above, or in similar examinations performed in prior years, and in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
